Subject of the call and beneficiaries

The University of Tuscia announces a public selection for international student's admission to 2nd Cycle International Degree Courses (2 Years Master's Degrees) for the Academic Year 2022/2023. The University of Tuscia will draft a unique ranking and assign 59 scholarships to the most deserving students enrolling for the first time in an Italian University. The scholarships available for each MSc Degree Course and the admission interviews calendar are listed in Annex A.

Enrolling in years following the first year, changing from one degree programme to another or transferring from one university to another, is not considered 'first registering' in one of the degree programmes at the University of Tuscia in the a.y. 2022-23.

International students are all students whose qualifications for admission to the chosen Second cycle degree programme were obtained at an institution not belonging to the Italian education system, regardless of their citizenship.
